Dear Me,

Hi. im in 6th grade and my teacher is Ms. Musman. I'll, right-
ing this letter. Im in Edge Pidge. Right now my dad is in Michigan.
He is there because heis working cause were moving. I havent seen him
for about a month. Are house is for sale right now and I have
to keep my room clean. It stinks. But my friends from camp are
glad. I get to see my dad in 2 or 3 weeks. My sister is going
up in about 2 weeks. When we move its going to be snowing!
Its going to be freezing!! Im a little bit nervous cause I
dont know what its going to be like. I might be able
to go up earlier. 6th grade is alot harder than last year. I herd
from my friend that the teachers are nice but hard. I had a
great 7 years in Florida. I'm going to miss all of my
Friends. Also everyone else. I get to see all my friends from
Michigan. See ya in 7 years

Sincerely

Mei
